Respected Sir:

Sub: Military Rule Under Presidents Control.

Hats off to you for your wonderful article on the ills affecting India of today. Every patriot will pray that someone will take the/to establish this system in our life time, before India is destroyed by anarchy.

I am enclosing two letters ~~xxxx~~ sent by us:

1. To Shri. Rajaji in reply to his "Get the Gandhian Blessings", dt. 17.11.1968

2. To Her Excellency:Smt: Indira Gandhi, for her championing Socialism by any means, dt.31.8.1969.

Naturally they would have been consigned to the waste paper baskets.

Every one of the points explained by you demands careful consideration by those who profess they are patriotic. But in India of today, professing is entirely different from practising, not excluding our highest dignitaries.

But should a bold leadership emerges on the lines suggested by you, I am sure majority of the Indians who want a life of work, peace and prosperity will support it wholeheartedly.

Thanking you for voicing the feelings of vast number of patriots who have the good of their country at heart, but are unable to do anything in view of the present circumstances.

Yours respectfully,

K.Raghupathi Rao.
